Entries Close Show Day
All Participants to meet at the Beef Cattle
Ring at 2:00pm**

Schools competing in the Junior Judging are eligible for the Northern Shows Trophy. This is a trophy that is awarded to a school who have students participate in various shows in the region. For more information please contact Grant Waterman.

OVERALL JUNIOR JUDGING CHAMPION

Junior Judges who enter 3 or more of the competitions go in the running for the Overall Junior Judging Champion and Reserve Junior Judging **Champion up prizes**. The prize winners are based on the total of Junior Judges best 3 scores. The Junior Judges with the greatest totals will be awarded the Overall Junior Judging Champion and the runner up will receive the Reserve Junior Judging Champion.

Overall JJ Champion prize - \$200

Reserve JJ Champion prize - \$100

BEEF CATTLE JUNIOR JUDGING

Convenor Richard Daley

To be conducted at the Beef Cattle Ring

Open to competitors who must be under 25 years on 1st May in the year of the final championship at the Royal Adelaide Show. Juniors and Seniors will be judged separately. The winner of the Senior competition at the 2019 Jamestown Show will move to the final to be held at the 2020 Royal Adelaide Show.

Points for Competition:

1. All competitors will be allowed 5 minutes to assess the exhibits, which will be paraded for the competitors.
2. Each competitor will then be asked to line up the exhibits according to their rankings and express his/her view of the cattle exhibited to the over judge and spectators. 2 minutes should be sufficient time to express your views.
3. Competitors should have reasons organised and emphasise the most important points.
4. The main objective for the competitors is to give their reasons and to inform the judge what they saw and compared in each animal.
5. Competitors should make comparisons between animals rather than describe individuals.
6. Competitors should be neatly attired - points will be deducted for poor presentation.
7. Four beef animals will be used for the comparison.
